

E-mail Invitation to Participate:

The Woodfibre LNG Project is a proposed small-scale liquefied natural gas (LNG) processing and export facility, located approximately seven kilometres southwest of Squamish, British Columbia.

You are invited to participate in this round of Woodfibre LNG-led consultations, which will seek community input in the development of the Woodfibre LNG Project. Woodfibre LNG-led consultation is in addition to regulator-led public comment periods that will be part of the environmental assessment for the Project.

You can learn more at woodfibrelngproject.ca and provide feedback by:

- Reading the consultation discussion guide and completing the feedback form (available online on February 3, 2014)
- Attending a small group meeting or open house (see schedule below)
- Providing a written submission:
 - Email: info@woodfibrelngproject.ca
 - PO Box 280, Squamish, B.C. V8B 0A3
