

HEY, NEIGHBOUR

LNG FACILITIES CAN CO-EXIST WITH COMMUNITIES

Around the world, some LNG facilities are closer to major populations than others. See how our proposed Project fits in the bigger picture.

Woodfibre LNG

7km

from Squamish

Population = 17,158

LNG sites within 3km of residential areas

Hammerfest LNG Plant
Hammerfest, Norway
Population = 9,912

Everett LNG Terminal
Boston, United States
Population = 4.18 million

Barcelona LNG Terminal
Barcelona, Spain
Population = 4.6 million

Sodeshi Shimizu LNG Terminal
Shizuoka, Japan
Population = 716,197

Tilbury LNG Facility
Delta, Canada
Population = 99,865

* Population figures are current to the most recent census.
